

Private Ancillary Fund (PAF) Member Pledge Form

Thank you for being part of the IMPACT100 Sydney North community. As you'd be aware, PAFs are Deductible Gift Recipient (DGR) Item 2 entities. Australian Communities Foundation (ACF)*, of which IMPACT100 Sydney North is a sub-fund, is also a DGR Item 2 entity. Item 2 organisations are grant making entities that only collect and distribute funds and are not entitled to give to each other. To overcome this, your generous PAF donation needs to go directly to a DGR1 non-profit organisation that actively undertakes charitable and other programs. IMPACT100 Sydney North only accepts grant applicants from charities with DGR1 status.

A minimum pledge of \$1,000 entitles you to membership of IMPACT100 Sydney North, including one vote at our Annual Grants Celebration to select the recipient of our \$100,000 Primary Grant (s). In consultation with you, your PAF donation will go to an IMPACT100 Sydney North finalist and the receipt will be issued directly to your PAF by the receiving organisation.

So we can keep a record of the funds raised, please assist us by emailing your completed pledge form to info@impact100sydneynorth.org
